Mrs. Nikki Haley
Governor
State of South Carolina
U. S. A.

Dear Governor Haley,

I hope this letter finds you well and in good health. In addition to sending you my regards from Chile, I write to congratulate you upon having just read the great news that you have accepted President-Elect Donald Trump's nomination to be the United States Ambassador to the United Nations. I believe Mr. Trump has made a significant statement by nominating you to this important post. The presidency and the administration will greatly benefit from your presence and leadership at the United Nations.

Although we only met once, I have fond memories of the afternoon that I spent with you in Goose Creek, South Carolina two years ago at the inauguration of the Nexans plant. You may recall on that occasion you delivered a keynote speech and accompanied me and several of our guests on a tour of the plant. I have attached two photos taken that day which may help you to remember our encounter.

Please know that you have a friend and supporter in Chile. I send you my best wishes as you await Senate confirmation and eventually embark upon the transition into this new role as Ambassador. I very much encourage you to contact me if I can be of any help to you regarding Chile, or Latin American in general. As you know, Chile's relationship with both the United States and the United Nations is one of great regional importance.

On a personal note, I hope to see you again and in the meantime wish you the best of luck, though I am confident that you will achieve great success in this new endeavor.

Sincerely,

Andronico Luksic . . .
