I've asked DSS to make a copy of everything that has previously been provided to other senators related to this topic. I will get it to you as soon as I receive it.

Katherine:

I've gotten a couple of questions about the refugees being relocated to Spartanburg. Someone pointed out to me that Sen. Bright has an online petition going. I'm sure they are not Islamic Extremists. But some folks think they are. Can you provide me with any details about the state's involvement & who these folks are?

Many thanks!

Larry
