Subject: Thank you Daniel Crooks, SCDC General Counsel office

Please forward to:
Bryan Stirling, Agency Director
David Tatarsky, General Counsel
Michael McCall, Deputy, Operations Deputy Director
The Honorable Nikki R. Haley
Office of the Governor

I would like to thank Daniel Crooks of the SCDC General Counsel for the outstanding service given to me on Wednesday, November 19, 2014.

I needed help and advice concerning SCDC and talked to Mr. Crooks on the phone. Mr. Crooks listened to what I had to say. He was courteous, listened, gave me what advice he could and was at all times professional. It is unusual to get this sort of kindness and understand from many of the employees of South Carolina Department of Corrections. I had just been though testing the day before for my heart and was under much stress. I told Mr. Crooks about the testing and he showed concern and showed much patience to make me feel more comfortable in the situation.

Please extend my thanks to Mr. Daniel Crooks for the help he was able to give me.

And please wish him and his family a very Merry Christmas.
