1) What are your plans/are you doing anything special for the national title game?

ON BACKGROUND: The governor will watch the game at home with family.

2) Did you have the chance to go down to Phoenix for the semifinal game?

No.

3) What's the feeling and excitement of watching this team play for a title for the second year in a row? Has watching this playoff run been different than last year?

QUOTE FROM GOVERNOR NIKKI HALEY: "We're proud of the Tigers and Coach Dabo Swinney, we're psyched about how they totally rolled over Ohio State, and we look forward to watching them bring home a national championship."

4) Do you plan to do anything, small or large, to show off Clemson pride publicly this week or for the game?

Stay tuned.
