Dear GOVERNOR;

From Jody Pendarvis

U-FO-MAN

4004 Homestead Rd,

Bowman S.C. 29018

803-347-9361

Your help may be needed.

The ditch that runs through Bowman
Flooded 3 Times in the Past 26 Years.
At the end of Poplar and Oliver
Street ditches; I believe the continuing
ditch is not wide enough to handle
all the water. I believe the ditch
all the way to Homestead Road
should be widened by The STATE
OF SOUTH CAROLINA with maybe the
help of FEMA.

There was no water coming across at Homestead Road during any of the flooding.

I heard one time about the ARMY CORE OF ENGINEERS but I can not remember if they were so.

I heard the STATE Department will only go so far from each road that is why I may need your "help"!

I have put my complaint in the Holly Hill State Department but I have not seen them at all in the town.

And please Do not say it is on Private land and you can not Help!

Joseph S. Pendarvis
