Subject: Fall Greetings from the Harvard Kennedy School OCA

Greetings from the Harvard Kennedy School, Office of Career Advancement (OCA). As fall is upon us and classes are underway, we would like to remind you to keep our graduate students in mind when professional opportunities arise in your organization. We support four degree programs, including a Midcareer Master in Public Administration (MC/MPA) and a number of concurrent MBA, JD, and MD students. Our students are as diverse in ethnicity, age, and experience as they are in interest area. All are committed to a career in public service, focusing on solving the world's most pressing public problems.

Are you looking for analytical, quantitative people who understand how to lead and manage in a complex world? Have you discovered the richness of our midcareer students? Might you have need of a professional intern during the summer? Interested in browsing online resume books of our students?

Below are some of the many ways to connect with Harvard Kennedy School talent:

- Share a full-time, fellowship, short term and/or summer internship opportunity with us. We also advertise job opportunities to our alumni community. Please forward job descriptions to career_advancement@hks.harvard.edu and we'll take it from there.
- Search through online student resume books of current HKS students, sortable by interest, program, etc. More than 500 HKS students have submitted to the resume books. If you would like to request a book, please fill out this [HKS Resume Book request form](#) (it will take less than a minute). Resume books are free and will come to you as a link via email.
- Visit our campus. We would be happy to host you or another representative for an in-person or virtual information session. Please note, if relevant to your work, we are hosting employers for our 14th Annual HKS International Development and Human Rights Fair on Friday, February 6, 2015. This fair is always well attended and a prime opportunity to meet with students, Harvard-wide.
- Join our LinkedIn Group for Employers.
- Connect with JACK: Jobs and Careers for the Kennedy School. Register and login to our job bank and career management system.
- Pass this email along. Are there others in your organization who would benefit from HKS talent? Please share this email with them.

You can have quick access to this information and more in the HKS Employer Guide. The HKS Office of Career Advancement looks forward to working with you this year! Please let me know if you have any questions. Have a nice day.

Sincerely,
Karin Kane Bloom
