Hello

I would like to be notified when the governor proclaims a half-staff flag day.

The U.S. Flag Code states in Section 7 (m): "...In the event of the death of a present or former official of the government of any State, territory, or possession of the United States or the death of a member of the Armed Forces from any State, territory or possession who dies while serving on active duty, the Governor of that State, territory, or possession may proclaim that the National flag shall be flown at half-staff..."

I can be notified by email at [morelove2@comcast.net](mailto:morelove2@comcast.net)

Thank you.

Michael
