Include any records related to the Governor's invitation to the event, the Governor's participation in the event, and/or a staff member's attendance/participation in the event.

Please include all records you think might possibly qualify, and then our office will review each record carefully to make sure it is responsive.

Rob, Halti, Chaney, and Brian,

Last month, you identified records responsive to a FOIA request from the ACLU regarding the Response SC Event. Last week, our office received full payment of the estimated costs (\$69.84), and therefore, we need your records to complete the production.

By this Wednesday, please:

- **Print copies (one-sided, no staples) of all records you identified for Response SC.**
- **Track the amount of time (in 5 minute increments) that it takes you to identify and print the records.**

If you have any questions, please let me know. (FYI: Due to lower volumes, we previously collected copies from Nicole, Ashton, Veldran, Haley, and Zach.)

Thank you,

Rebecca
