

January 28. 2016

Dear Governor Haley,

My name is Michael Emory Tumblin. I am 56 years old and I live by myself. I am writing you concerning my driver's license.

In 2003, I had a knee injury and was prescribed a pain medication which I got addicted to. I made copies of the prescriptions and took them to the drug store to get them filled. I was charged with thirteen counts of a controlled substance violation. I pled guilty to the charges. I was unaware that the state would take my license away one year for every count that I was charged with. I have not had a license since 2004.

As I mentioned earlier, I live alone. I have no way to get to work and it is hard to keep a job under those circumstances. I pray for some relief so I can get to work and become a legitimate productive taxpaying citizen. I am, and have been, drug and alcohol free for some time now.

I thank you in advance for your time and anything you can do to help me.

Thank you kindly,

Michael E. Tumblin
