Not sure. I don't have my contacts on me, so just pressed "4" for the newsroom. They sent out an email across the board saying he'd be in town.

>>> The Lieutenant Governor will be in your area this coming Friday morning (1/26), and I was wondering if it might be possible for him to visit the Leatherman Senior Center. He has another meeting afterwards on the west side of Florence that begins at 11:30a. I think 45 minutes to one hour would be an adequate time frame to talk with seniors at the center, take a tour of the site, and say "hello" to any staff and volunteers... or anything else. But, please let me know your thoughts when you have a minute... and if stopping by there from, say, 10:00a to 11:00a may work.
