Subject: Blacksburg girl

We did enjoy the Carolighting last night. Thank you for including us! You may remember me telling you that my first job out of grad school was in the Gov's office (Riley). One of my jobs was to coordinate with the breakfast optimist club about the carolighting. So when the Governor said a lot of work goes into the event – I could relate with y'all!!

In the Governor's speech last night she mentioned a girl in Blacksburg who packs boxes for military personnel. She said she was going to visit her today. Can you find out that child's name? I mentioned is to Peeler and he wasn't aware of it.

Many thanks!
Martha
