Nothing wrong with a little rationalization.

I've been told that JEDA could meet monthly, but as a practical matter, it winds up being more like every other month, because there's only so much for them to review.

He's very interested but wants to know the commitment; I'd assume monthly but thought you'd know for sure.

No call back from Timmons yet - might be on vacation. At least that's what I tell myself to avoid the thought that there maybe someone who doesn't want to talk with me.

Thx for finishing up transition.

I didn't see anything about it on the web. What do you know?

Thanks for the offer.
