I will relay this to Lyman, SC. I have not heard from anyone else. CCed Darryl just now in case he has.

Ms. Allison will speak after LG. She and Sen. Talley are the only ones we've contacted. Have you heard from anyone else?

I have not personally. The only knowledge I have is what you sent (below) and the few sentences I sent outlining the event that were going to be forwarded to the delegation.

Both her response to the suggested agenda and the agenda I sent are below. I will call her tomorrow to make sure everything is still looking good and also to remind her that we are doing follow-up media calls tomorrow too.

Let me know if you have any specific questions that you want me to have addressed.

The press release looks great.

The agenda looks good to me.

Right now it looks like rain in the forecast, but we'll keep a close eye on it and plan accordingly.

Andrea,

It was nice talking by phone on Friday. Thanks for the picture and information – I appreciate all of your help. As for a “program”, would you be okay with something like the following?

Andrea Moore (Director) – Welcome, Recognize Special Guests, ~3 minute explanation of the center
Scott Talley – Say a few words and introduce the LG (we haven’t formally asked him yet, but plan to if that works)

Lt. Gov. Bryant – Announce the grant and speak on issues of his choice (no questions until after the program ends)

Dignitaries – Allow to speak (such as Rita Allison) anyone else?

Andrea Moore - Close

Open to any questions, media, etc.

I have also attached a draft press release for your review. Please feel free to e-mail or call me at any time.
