Good Afternoon,

I hope this email finds all of you in good health. We need to schedule a full meeting of the SCDOT/Utility Relocation Study Committee soon after the first of the year. The subcommittees are in the process of gathering data and formulating strategy to obtain information. We are so close to the holidays, it would be nearly impossible to get everyone together before Christmas. As such, please check your calendars and let me know if you could meet on Tuesday, January 15, at 10:00 AM in Columbia. The meeting will last no more than two hours. I'd appreciate your response by the end of next week ((11/09) so we can obtain a meeting room and provide adequate public notice.

Thanks,

Charlie Gray
