## See what's developing at IoT Emerge!

November 2-4, 2016 | McCormick Place, Chicago

IoT Emerge is the premiere Internet of Things event, bringing together private and public sector leaders, line-of-business management, operations & facilities management, IT and engineering management; system integrators & IoT developers.

IoT Emerge kicks off with **two-days of keynotes**, case studies, sessions, and tutorials from the front lines of business, and **one-day of tours** of Manufacturing, Energy, and Smart Cities facilities.

Visit [loTEmerge.com](http://loTEmerge.com) for more information on the event program and speakers, exhibitor resources, housing information, and registration.
