

Dear Sir or Madam:

I am writing on behalf of the USC String Project Program Committee to enlist your help for the 40th Anniversary USC String Project Concert (May 4, 2015) . We hope that you will advertise your business in this keepsake program. I have included the advertisement prices for your review. Your generosity would be performing two functions:

1.It will offer you an advertising tool at a competitive price that many patrons will view. For the 40th anniversary, we hope to provide a keepsake program for all participants and attendees.

2.By your ad, you will support the USC String Project, a nationally recognized program which creates partnerships that provide teaching experience for Carolina students while providing accessible string education and supporting school music programs to students and adults in the community.
