Dear Gov. Haley,

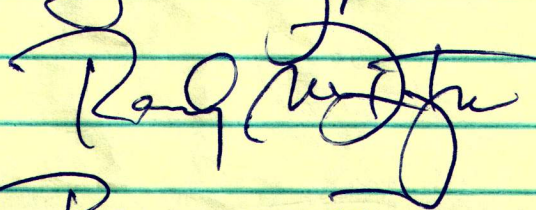

My name is Randy McElroy. I am trying to contact our atty. General. There is NO listing for his office in the phone book, & I am not playing with a computer or a cell phone. I use the time honored information system of seek & ye shall find.

I've written your office & received a phone call. However, I have yet to speak with our atty. General in regard to a VERY serious criminal conspiracy currently taking place in

S.C. Including, but not limited  
to attorneys, business men, Wall St.  
tycoons and various & sundry other  
criminal elements hard at work here  
in S.C. & across this nation.

Perhaps you could assist me in  
this matter.

Sincerely,  
  
RANDY MCINTYRE
