Thanks so much, Rob!

Today, we're hoping to push out a regular run-of-the mill "what happens after I apply with FEMA" type release...

They're finding more locations for DRCs, so when those are ready to open (perhaps tomorrow afternoon/evening), we'd appreciate your help in pushing those out.

Also, we're at about \$7.5 million approved for SC affected residents - maybe the Gov wants to do a release/announcement when we get to \$10m? Should be either tomorrow or Monday.

Hannah,

Good morning.

Checking in to make sure our press office is getting everything done y'all need us to.

Anything on tap for today, Sunday or Monday you want us to have on the radar?
