Courtney and Summer,
Hope all is well.

I am requesting to exchange my current rental car for a larger car to drive until my car is repaired. The current rental is too small for my daily activities. Please let me know what the next steps are to exchange this vehicle.

Thank you,
Katherine

Katherine,

I received the incident report! Thank you for getting that to me. Please remember to also send it to your insurance agent's office so they can get it submitted to the DMV for you with your policy information.

Also, please give me a call so we can discuss where to take your vehicle. I got a good recommendation from Midland Honda in Columbia! My number is 919-278-9421.

Thank you,
