[Nikki Haley on MSNBC - U.S. Cable](#)

12/16/2014 12:16:18

Andrea Mitchell Reports (News)

... actively explore a run for president. a day after he huddled in south carolina with nikki haley. a political firewall for bush to beat back more conservative republican rivals. joining us now president obama's first white house press secretary, of course. very good to see you. >> good to see you. >> well, interesting game plan here because what he has said is ...
