Subject: Too bright; making up for being humble!

Wow-she wolf says all of the wrong thing, but in the nicest way-with a bit of praise God.

You can't imagine-can't hear, nor see-your without empathy; ears-by which to hear with. Tinkling symbols are all I hear from the lying Republican Partyers. As evil as you can be-believing your own self righteous yammers. Come-see if my shoes that are caked with Mud, and Blood; can be appreciated by someone who spends more on appearance, (teeth, cloths, hair) than I do on living-how dare you take the welfare check you collect; and live like royalty-is that what your Jesus told you to do-let alone all of those evil plans, and lies you and your co-horts have planned.

I served 14 yrs, (Navy, Army)! Survived my own Government allowing my Assassin to go free-due to my supervisors wittingly placing me in harms way. I earned more than you are being grossly over paid. So; come lets reason together-oh I forgot-you can't be seen with the likes of one the lower masses! 541-922-3309

Anger is caused by being lied to and cheated, as we hear in the name of God-Amen!
