Representative Taylor,

I have spoken with Mr. Orren and verified that the e-mail he received is legitimate. I also explained why some individuals are receiving an e-mail instead of a letter.

Please let me know if I can be of further assistance.

Thank you,

**Subject:** SCDOR INFORMATION HACKING UPDATE

Sir,

I recently received what I think is a spam email from Experian on behalf of the SCDOR saying that my personal ID

information was one that was accessed, though I've not received a letter from SCDOR saying the same thing. I suspect this is a phishing email. Can you confirm that the Experian email is valid or not?

Sincerely,

Dale
