Has there been any consideration into allowing those who have the state park passes to have any extra time on their memberships? Our is expiring very soon but we haven't been able to take advantage of it at all for a month now.... Just curious?
Thank you.

Yes, if you look at the notice posted on our website and social media, you will have two options: When you purchase a new passport, we will add the extra month on to that passport at no charge.
When your current passport expires, you may turn it in and we'll give you another passport for the month missed at no charge (if you don't want to purchase another one). Hope that makes sense.

Are you still offering the added month to membership if you had one previously? We are just feeling comfortable with venturing out and about.
