#### **AGENDA RELEASED**

---

Dear Mr Tony Kester,

Now running for almost two decades, SMi Group are delighted to release an agenda for its 17th annual [Pain Therapeutics conference](#), taking place on **22nd & 23rd May 2017** in Central London, UK. Aimed at an audience of scientific leaders and senior specialists in neuroscience, CNS, clinical operations and pharmacology, the 17th annual show will provide a focal point for the industry to assess new innovations in effective and safe pain management.

**\*\* AGENDA OUT \*\***

Created with an **expert advisory board**, this year's programme will feature a selection of carefully handpicked keynote addresses and case studies to capture the latest developments and novel approaches in pain therapy and drug development. It will hone in on key topics such as; **product formulation; opioid addiction; translational pain research**; breakthroughs in **drug discovery**; advantages and limitations of **animal models**; and present exclusive new findings from **phase II clinical trials**.
