Gentlemen – not sure if you've seen the attached letter from Senator Thurmond, but wanted to get your thoughts. I have no issues with his request, largely because I am not aware of any Legislator that has tried to impact my budget request as a "non-appropriated" agency. That said, I have no objections to providing him a copy of our budget request, nor do I have any objections to openly discussing our proposed budget with any legislator, ESPECIALLY if it gives them insights into how we manage our money as a non-appropriated organization. Thoughts?

Kevin
