Subject: State Auditor Executive Search

---

Committee Members,

The thirty day time period for posting the State Auditor position ended yesterday. This time we received 41 applications from 37 applicants [4 new applicants submitted duplicate applications] out of which 27 did not meet the designated qualifications and 10 did meet them. Early next week, I will deliver a packet to each of you containing the following:

1. A Summary of the Search for State Auditor
2. A list of the 25 applicants from the March/April posting who did not meet the qualifications
3. A list of the 13 applicants from the March/April posting who did meet the qualifications
4. A list of the 27 applicants from the September/October posting who did not meet the qualifications
5. A list of the 10 applicants from the September/October posting who did meet the qualifications along with the applications and other documents that they submitted
6. A copy of a recent email and attachment submitted by an applicant from the March/April posting
7. A copy of a recent letter submitted by an applicant from the March/April posting

Please let me know some dates and times during the next 3 weeks that you would be able to meet to determine how to proceed, which would include identifying the applicants that you will want to interview. When I receive the dates that you are available, I will schedule a time for us to meet. If you would like any additional documents or need anything further from me before that meeting, please let me know. Thank you.

Sam
