

[scstateparks](#) You never know what hidden gem you'll find while exploring a trail. 🌲 Jones Gap State Park has 8 trails that range from easy to strenuous. Hikers must register with the park prior to beginning a hike. 🚗 Due to limited parking, visitors must reserve parking spaces up to 48 hours prior to their travel date. Reservations can be made up to 13 months in advance for easy trip planning. #SCStateParks #TrailTuesday 📍 Jones Gap State Park 📷: @jessinman__
