Subject: Follow-up audit report on Procurement

I'm not sure I agree with the Legislative Audit Council on the overall emphasis that they seem to place on documenting RFP's and certainly don't understand where Merrill's comments are coming from but this follow-up report was just released yesterday so we should certainly be aware of it in crafting our recommendation for the Board.

Sean, I know I owe you a call – will try you this afternoon.

Thanks to all,

Chad
