Subject: RE: request for Information

Carol,

I don't have one for this year but I bet Craig does. Please allow me to speak with him on where he has this file.
I'll be back in touch later this afternoon.

Thanks,
David

Subject: request for Information

Katherine is requesting a copy of the list of Carolighting responsibilities by organization such as Garden Club, Governor's Office, City Of Columbia, etc. We hope you have the information.
