MOVIE NIGHT - this FRIDAY - at Andrew Jackson State Park, near Lancaster. Come out at 7pm in the park amphitheater for The Patriot. A perfect movie as the movie was filmed in SC! Don't miss it. Contact the park for more details at 803-285-3344.

Ann Noviello i love heath ledger~i have dvds of the patriot, a knight's tale and casanova as my 3 favorites~i am so sad his daughter will not remember him~but perhaps when she is old enough to watch these films (a bit too intense for a child her age i am thinking) she will know him through film
