Doug and Amy --

Under the Freedom of Information Act, I request details of all expenses -- including flights, meals, hotels and other charges -- regarding the trip to the Frankfurt Auto Show during the week of Sept. 9.

I also request: a list of the people who went on the trip; the schedule of events/meetings they each attended; and how the trip was paid for.

Because this information is in the interest of the public, I request that no fees be charged in association with this request.

I ask to review original documents if a large amount of photocopies is required.

I can be reached at (803) 445-4904.

Thank you,  
Andy
