Hi, Katherine. Received an inquiry about status of First Steps and thought I'd better check in with you to get a jump on the week. Think where we left it on 12/16 was one of y'all would email me feedback on the summary of our 12/15 meeting on First Steps, then I was to update the document and share with Senators Hayes and Courson, etc. (in preparation for the K-12 meeting on Jan. 6) when I return tomorrow. If this has changed or need to do something different, please just let me know.

Thanks, and I hope you had a good holiday.

Sally
