This request came to the Lt. Gov inbox but they copied Tori Beth and Darryl, so I don't know if they did anything with it. This request came barely 24 hours before the event they wanted the Lt. Governor to share with the SC Delegation.

Good morning Lt. Governor Bryant,

I want to thank you for coming to the Dinner to host the Minshang Delegation at Furman University last Thursday. It was an honor to meet you, and the Minshang Delegation truly appreciated your special greeting to SC. They visited Greenville, Charleston, and Myrtle Beach, and they were very impressed. With the short time they had to visit SC, they were given a great overview. The Delegation definitely plans to invest 20,000,000. before they leave to go back to China in either NC or SC. Although we were only given 2 1/2 days, SC made a very good presentation. Unfortunately, North Carolina has had 5 days to make their presentation.

On June 13th, the CCCC is hosting a one hour Reception on Capitol Hill for all US SC & NC Congressmen and Senators. The invitation was sent out by Angela Schulze who is the Director of Scheduling for Thom Tillis. The invitation was not formal but I think that is really important that SC is represented. Could you please invite the SC Congressmen and Senators to attend the event. The reception is only an hour 3:30 -4:30. If you could encourage the Congressmen and Senators to make an appearance, it will make a big difference in the Delegations investment. I have sent you the list of the names and short bios of the Minshang Delegation. We would also love to have Mick Mulvaney and Ambassador Haley if she is in Washington.

Here are the details:

The Reception hosted by CCCC is in the Capitol: The room is SVC214; June 13th, 3:30 to 4:30.

Thank you again for taking time out of your busy schedule to come to Greenville for this special event.

Best regards,

Carrie Tucker
