Dear Gen. Haley

I am praying that you could in some way help me. I'm having a very big problem with my house in my kitchen, The floor is rotten, and the kitchen sink is going through the floor. And in the den, the same thing, the floor is going under the house. When it rained and has been going on for years but after 8 yrs it has gotten much worse, I can only sit on one side of the fireplace. It is really bad. I've tried many people on the builders list. They only come in take pictures, make promises, and never do anything except get all your personal information. These pictures was taken a year ago, and it is much more worst now. I am ~~73~~ 73 yrs, old, and I really don't have the money to do this —

So if there is any way
or someone that
could help me, please, please
contact me, my name is

May E. Mills

P.S. The roof also leaks, that's
where the bad leak is coming
from.
