Mrs. Haley,  
I support this 110%!!! I work at your Alma Mater Clemson University! I want to see a change in our cost of living adjustments, & our pay wages when they go up. SC State Government Employees have not seen a significant pay raise since 2005. Josh W. Millsaps

Thank you for being the most awesome Governor SC has had in years! May God Bless You!

Please review the budget proposal that was hand delivered today to members of the South Carolina House Ways & Means committee as well as the Senate Finance committee.

The SCSEA budget request seeks to get the General Assembly to authorize a state employee pay study while simultaneously requesting some immediate pay adjustments while the study is being completed.

Please follow up with members of the South Carolina House Ways & Means committee and the South Carolina Senate Finance committee in this regard.

We are thankful for Representative Gilda Cobb-Hunter's agreement to sponsor the pay study proviso on the House of Representative's side. She will need your support and communication with members to get the proviso passed.
