Dear Kevin,

It's Giving Tuesday! Are you ready to join the EdChoice family and help us grow high-quality school choice programs across America? **Make your secure, tax-deductible contribution today, and we'll send you an exclusive thank you gift in return.**

Jump on board with a one-time donation in any amount by the end of this year, and we'll send you an EdChoice tote bag. It's great for carrying groceries, books and more!

Want to stay connected as a donor all year long? Choose to make a supporting monthly donation, and we'll send you our exclusive EdChoice coffee mug.

Simply make your donation by the end of 2017, and we'll send out your thank you gift in January.
