Mrs. Flowers,

Your e-mail to Governor Haley's office concerning unsafe vehicles on South Carolina roadways has been forwarded to the Department of Motor Vehicles.

We appreciate you taking the time to express your concerns and ideas regarding this matter. Previously, vehicle inspections were required by law until it was repealed in 1995. Any new vehicle inspection requirements would first need to pass through the legislative process.

Thank you again for taking the time to express your concerns. If we can be of any assistance in the future, please do not hesitate to contact the department at 803-896-5000.

Sincerely,

Office of Constituent Services  
South Carolina Department of Motor Vehicles
