Okay.

I know I am new, but probably going forward for emergencies if you want to email/call/text and for others do you want to leave them with Shelia and pick up the next day/time you come? That way you do not have to wait on us, etc.

Subject: Gov Warrant

I have one that is kind of important to get out if I can come down about same time to get out in mail , I don't want him getting out.
