Subject: Paul Forte, Former PPP Employee

Holly – We received this in IQ from a former PPP employee and I wasn't sure how you would like to handle it. Please review. Thank you.

Gov Haley,

Remember me? The one who brought to light the shenanigans of the Director (Thomas) Deputy Director (Norton) and asst (Clifton Howell) of SCDPPS . Please be advised. I will soon be seeking legal advice in regards to my resignation from SCDPPS in Aril 2014. I have been blackballed by the agency and have been blocked from obtaining employment within the SC state government . I have been denied employment by several law enforcement agencies due to the circumstances of my resignation and I can prove it. I can start with Colonel Oliver with the SC highway patrol . His spouse is employed with SCDPPPS and is the Agent in charge of Lancaster County. He claims "other more qualified applicants" which cannot be be true as I am highly qualified. State Transort Police also decided not to proceed to a panel interview after completing all other aspects of the STP hiring process. No reason was ever given as to why my panel interview was cancelled. Will they shred my application file like SCDPPPS during my earlier complaint?

Former Region 2 Agent of the year
