---

Good Afternoon Representative Bradley,

Conference call information for tomorrow's 4:00 p.m. call is:

For dial-in access, please choose the access number local to you:

Midlands Area (803) 726-9796  
Upstate Area (864) 908-3279  
Coastal Area (843) 737-7035

Please follow the voice prompts. When asked, enter the **Conferee Code '430182' followed by the # key**. If you are disconnected for any reason, repeat instructions above.

We have asked for FEMA External Affairs to be on the call to address the eligibility of private non-profits, specifically property owner associations with facilities such as roads and recreational facilities. Since they are the sole determinant of Public Assistance eligibility, it seems most appropriate for them to speak to it directly.

Attached is the one page report on private non-profit eligibility. Also basic information about Public Assistance program can be found here: <https://www.fema.gov/media-library-data/1465341338231-1ae3d3ccc360573d965b70090ca01033/FactSheetPA2016.pdf>.

Thanks,  
Elizabeth
