Subject: 16 cities win IBM brainpower / Top-ranked IoT cities / Ready for self-driving big rigs?

WELCOME TO SMART CITIES NOW

Updates on smart city progress around the globe

NEWS & TRENDS

16 cities win IBM brainpower: More than 100 cities around the globe competed for 2015-16 Smarter Cities Challenge grants from IBM. Click for the list of municipalities that won pro bono consulting engagements from teams of IBM experts (and two special guests new on the job this year). [MORE >>](#)

Sharing roads with self-driving big rigs? It will be years before Daimler's Inspiration Trucks hit the highways as commercial vehicles, but the company's autonomous truck has been approved and licensed for testing on Nevada highways. That's a huge step. Find out why -- and the benefits self-driving rigs bring to our byways. [MORE >>](#)

15 top-ranked IoT cities: IoT Analytics has ranked the top 15 emerging Internet of Things cities in the world. Wondering why it matters if cities are on the IoT bandwagon? A white paper from Verizon offers some compelling reasons. Click to download it -- and to see which cities are leading the way. [MORE >>](#)

Ready to make your Open Data move? Our free primer can help

The good news for cities just beginning the Open Data conversation is that today a full arsenal of lessons learned and best practices is available from pioneering cities. So there's no need to start from scratch and make the same mistakes they did -- and every opportunity to borrow from their successes. [Get the Smart Cities Open Data Guide >>](#)

PARTNER SPOTLIGHT

Short takes from Council members: Cubic Transportation Systems tapped to roll out intelligent transport in Manchester, UK... Itron begins massive smart water meter upgrade in Jordanian capital... IBM and Peugeot team on connected car services for smart cities... CH2M water projects receive big international honors... Elster in line to provide even more Memphis smart meters. Get all the details at the site. [MORE >>](#)

PRODUCTS & SERVICES

Allied Telesis switches things up: A new line of distribution switches from Allied Telesis can run city, school and hospital data networks. Learn about new features that can help busy IT departments cut maintenance expenses. [MORE >>](#)

Will we see you in September?

The Council is hosting Smart Cities Week in Washington, D.C. Sept. 14-16 and you're invited. Participants will gain a keen understanding of the top strategic issues leaders must address as they plot a smart city course and see live demos of exciting advanced technologies smart cities are using today. Join us in Washington, D.C. Sept. 14-16! [Register here >>](#)

JESSE'S PICKS

6 new signs we're getting smarter about energy

From streamlining operations to getting ready for more power from renewable sources, read up on six regions that are getting smarter about energy and the experts who are helping them do it. You'll see some good ideas that could help your city get energy smart too.
