Good morning, Elisabeth,

Mr. Finan reviewed the draft press release. The release looks fine. Is there any way to include a quote from Mr. Finan? It'd be great to see DEW mentioned as part of the reemployment and workforce development efforts and playing a huge role in the success of SCWRC.

If at all possible, a quote from Mr. Finan would read:

"We are delighted to participate, and provide funding for, a program that will help develop our workforce for businesses coming to South Carolina," said John L. Finan, DEW agency administrator.

If this isn't feasible I understand. I know that you work with a number of different partners and that this is a statewide initiative.

Thanks and enjoy the conference!  
Adrienne

Our new ATT service does not work here in HH. The business service computers at the hotel charge \$5.95 for 15 on the computer. I found someone who had a mi-fi so i could forward this to you since I couldn't from my iphone.

Please send any emails to my [ekovacs@bellsouth.net](mailto:ekovacs@bellsouth.net) account so that I can access from my personal Verizon account. Or, text me at 803.920-0529.

Attached is the press release that's been blessed by the Gov's office. Let me know if you have any thoughts. It will go out to all press statewide and everyone on our SC Work Ready constant contact list and everyone on the Mfg Alliance distribution list to include businesses. It will be widespread like last time.

Thanks. EK
