Dear Chaney,

I am still waiting for the Governor's statements from you, on Israel, as well as the text of the Anti-BDS Bill and any comments by her thereon.

While weekly papers do not have the same urgency as daily ones, it has now been a week and a half, and I will have to digest all your material, and write this up very quickly, for the Jewish media. I am really being "squeezed" here. Please forward the above to me right away, via e-mail. Thank you, in advance.

Sincerely,

George Alan Baumgarten
