Dear Leader:

On behalf of the Officers and members of the American Medical Association (AMA), it is our pleasure to invite you to submit nominations for the 2016 Dr. Nathan Davis Awards for Outstanding Government Service. The Awards are recognized nationally as one of the most prestigious honors extended to elected officials and career government employees for outstanding endeavors that advance public health.

Please take a few minutes to review the enclosed brochure that outlines the criteria utilized by the independent panel of judges as they make their recommendations to the AMA. You will note that the AMA presents these awards in seven categories of public service, including local, state and federal government. Each year, the caliber of nominees is a testament to the incredible initiatives being advanced by government and elected officials throughout our nation.

Also enclosed is a nomination form with the hope that you or your organization will submit one or more nominations. Nomination forms can also be submitted online at www.ama-assn.org/go/NDAnomination. If you would like a Microsoft Word version of the nomination form, please reach out to the Awards Secretariat at the number listed below. Please note the deadline for submission is 5:00 p.m. Friday, November 20, 2015. Supplemental supporting material should be limited to no more than ten pages. Please be aware that we will only contact you if your nominee has been selected.

Each year, we are enormously pleased by the interest in the awards and the outstanding nominations we receive. Clearly, there is a desire and a necessity to recognize and salute individuals in government service who are giving of themselves and their talents in meaningful ways.
