DJJ – House Oversight:

Staff of the House Oversight Committee visited DJJ today to learn more about the information collected for Performance Based Standards (PbS). PbS is a data-driven improvement model for juvenile justice agencies, facilities, and residential care providers. During that meeting, the agency was informed that the next meeting of the Subcommittee will be April 13th.

DV Task Force – DV Budget Amendments:

Today, our office asked the solicitors and victims' advocates to help with a "call to action" to contact House members and ask their support for the Pitts-Pope Amendments for DV funding. We also met with Reps. James Smith and Bernstein who were responsive. We will continue the outreach until the budget is debated next week.
