Subject: Your feedback is needed! Please complete our National my Social Security Week Survey

Dear Colleague

Thank you for Supporting National *my* Social Security Week from July 19- 25, 2015. We need your feedback about National *my* Social Security Week in order to make next year's event an even bigger success. Please let us know what we did that you found helpful, and what we could improve on next time, by taking our brief [survey](#). The survey takes around 5 minutes to complete. It doesn't matter whether your organization's participation was large or small – we want to know what you did.

Your organization's participation will be combined with others to tell the National *my* Social Security Week story. Your responses will help us reach more people with our future public education initiatives. Even if you weren't able to help with National *my* Social Security Week this time around, we'd like to hear from you.

Again, thank you for your support. To paraphrase the great football coach Vince Lombardi, people win by working together. By joining forces to spread the word about retirement planning, we are helping workers and their families come out ahead of the game.

Sincerely,

J. Jioni Palmer
Associate Commissioner for External Affairs
