Levee Commissioner

October 6, 2015

The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina

Dear Governor Haley:

My thoughts and prayers go out to your staff and the great people of South Carolina. I wish you resilience as you recover from this devastating event. The precipitation levels like those you have experienced would be most devastating to any flood projects in the country. I look forward to discovering the mitigation measures that are successful for your state so we too can be better prepared for our future flood fights as well as recovery.

Please contact my office if there are ways I can assist you.

Sincerely,
