Hi there,

Just checking in on whether we will wrap up the request this week. If so, happy to send you all a check once the final amount is known.

Thanks so much,
Robert

Hi there, just wanted to confirm you all received my \$100 check. And I wanted to ask what I could do to expedite things, whether it be sending the rest now or something else. Thanks again for your help.

Just your deposit at this point. Until we finalize the response, the costs are just an estimate. If you send your deposit of \$100, we will begin processing your request and let you know the final cost once we have it. We do not send documents electronically. Please let me know if you have questions. Thanks and hope you have a good weekend.

Thank you. So for now should I send a check just for \$100? Or would it expedite it to send the full amount?

Also I'd prefer to receive these records electronically. I assume that would save time and allow us to avoid the cost of copying?
