Honorable Nikki Haley, —

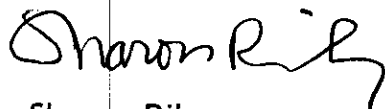

I am writing you about something of a personal nature and will understand if you are unable to address the subject.

My sister recently passed unexpectedly and we are devastated. This is a very sad time for us and as with any painful emotional issue family can be a tremendous comfort. My brother-in-law is from Punjab, India and his family would be a great comfort to him. but American Policy regarding Indian travel to the U.S. negatively impacts the visa process. He has a brother and/or niece (brother's daughter) who are able to come. We have the where-with-all to care for any visitor allowed to come.

Policy aside, this seems to be a humanitarian issue and I would appreciate any effort on your part to direct me to a resource so that I might help him.

Thank you very much for your consideration.

Respectfully,
