Subject: Thanks to you for fixing the infrastructure bank!

Dear Nikki Haley (R),

Thanks for your work on a compromise to the roads bill.

As you know, reform to the infrastructure bank is a crucial part of the roads bill. Fixing the infrastructure bank by folding it into the DOT will eliminate the parochialism that got us to this state of road damage and congestion in the first place. It is about spending our resources wisely.

The amendment to give DOT veto power over the STIB selection process is an important step forward. Please continue to support STIB reform and keep the infrastructure bank accountable to the statewide planning process and the people of South Carolina.

Sincerely,

Amy Horwitz
